SMALL DOSES

The President will sail for home tomorrow.

A Louisville man caught a cat fish weighing 51 pounds in Salt river.

Somebody went off and left a basket containing a boy baby on the steps of a convent in Louisville.

Edwin B. Howard, of Harlan county, has been named for West Point by Representative Robison.

There is a wild rumor that Claude Clark is loading up for a Fourth of July oration. Just where, is not yet known.

The latest hanging in Mississippi was to a limb of the big gum tree under which the victim committed suicide. Lynched, by gum.

Both the Huns and Hungarians are busy "revoluting" and killing each other from Hamburg to Budapest and nobody cares a continental.

Admiral von Reuter having destroyed a navy that belonged to the Allies, because the Kaiser said so, has done some rooting that may cause the hog to die.

President-elect Pessoa, of Brazil, who is in the United States, has been invited to visit Louisville. If he gets that close, of course he will want to see Hopkinsville.

Bryce Ringer, an Indian Red Cross worker committed suicide in Berlin. If a man is disgraced with life, Germany is about the best place to leave the world from.

Prof. R. R. Green, of Bowling Green, has been elected president of the Kentucky Educational Association. Judging by his name, his real place is on the Textbook Commission.

The Madisonville Business Men's Association offers \$20 for the best slogan to begin business with. Here's one that ought to win: "Madisonville is only 34 miles from Hopkinsville."

Next Monday will be last day of grace for John Barleycorn and in many places there will be a High Old Time as the curtain falls. It has already gone down to slow music in Hopkinsville.

F. A. Hood, the Californian man who first hollered for Bryan for President in the convention of 1896, died this week at San Diego. Like most of us, he quit hollering for him in 1916.

Mississippi had an old-fashioned lynching at Ellisville the other night, hanging as the first degree, shooting as the second and burning as the third. The outraged girl saw the execution.

The first two days the Press Meeting was resolved into a Listening Committee, while outsiders had the floor. Yesterday evening Tom Underwood, of Kentucky, told 'em and Walter Williams, of Missouri, showed 'em.

Germany has been notified in a not sent by the allies that they possess the right to punish the persons responsible for the destruction of the German ships and to collect reparation for the loss. The sinking of the fleet is denounced as a violation of the armistice and a deliberate breach in advance of the conditions of peace.

About two weeks ago the Kentuckian printed a news item about a mule adopting a calf on the farm of Tom Smith at Gracey. In due time it was reprinted by an exchange that forgot to give us credit and the item is still going the rounds credited to the wrong paper. Mistakes will sometimes happen in the best regulated newspaper offices.

A wireless message received Wednesday from the United States transport Santa Teresa stated that she expected to arrive at her South Brooklyn pier before night with 1,000 troops and twenty-one war brides of army men. A baby, born on the voyage to the French wife of F. E. Smith, of Gifford, Mont., was christened Marielle Teresa Smith, after the ship, and was presented with a christening fund of 1,800 francs by the officers and crew of the vessel.

Mrs. Winifred Egan cut off one of her sons, John Egan, in making her will, because he married a Protestant girl. Suit has been brought to break the will, at Louisville.

As usual all the teachers will be required to attend this institute and it promises to be an exceptionally interesting and successful term. This time it will follow right on the heels of the K. E. A. meeting and County Superintendent Foster and others who are attending that meeting this week will be able to bring the best of the developments there back to the teachers here.

The instructor this time will be Prof. Charles Keith, of the State Normal School at Richmond, Ky. Prof. Keith is one of the leading educators of the South and his presence here will be a great benefit to all the teachers.

The sessions of the institute will be held at the High School building.

HAMILTON-GARY NUPTIALS

First Baptist Church the Scene of The Marriage of Miss Addie Belle Hardin Gary to Mr. David H. Hamilton, of Chicago

BRIDE IS A GIFTED VOCALIST

At the First Baptist Church Thursday evening, June 26, in a ceremony simple, yet beautiful, Miss Addie Bell Gary and Mr. David Hamilton were united in marriage.

The spacious auditorium was filled with the friends of the contracting parties and the decorations were elaborate and beautiful.

The decorations consisted of the greatest profusion of evergreens, palms, smilax and ferns.

Each of the three aisles was spanned half way to the pulpit by an arch covered with smilax. Over each the side aisles hung from the lofty ceiling baskets of ferns. The organ, the pulpit and the spaces usually occupied by the choir and orchestra were all beautified by the masses of green. On two stands were huge vases of white gladioli; the only flowers in evidence.

Promptly at nine o'clock the wedding party entered to the sweet strains of the Mendelssohn's Wedding March, played by Mrs. C. D. Richards.

Mrs. A. B. Anderson, of Nashville, the bride's sister, was matron of honor and the groom's brother, Mr. Linton Hamilton, was the best man. The attendants and bridesmaids entered by opposite aisles singly and all retired by the center aisle in the following order:

Mrs. A. B. Anderson and Mr. Linton Hamilton.

Miss Mary Neville Hancock and Mr. A. B. Anderson.

Miss Sopronia Kelsey, of Oklahoma City and Mr. W. O. Soyars.

Miss Mary Louise Sanderfer, of Abilene, Tex., and Mr. Bruce Woodruff.

Miss Elizabeth McPherson and Mr. Elmer Grant.

Miss Grace Richards and Mr. Caddey Williamson.

Miss Martha Gary and Mr. de Forest Hamilton.

The groom entered from the pastor's private entrance to the pulpit,

as did Dr. Leonard W. Doolan, the pastor, and Rev. George C. Abbott, rector of Grace Episcopal church, who assisted in the ceremonies.

The ceremony by Dr. Doolan was brief and impressive and was followed by a short prayer by Dr. Abbott.

Following the wedding there was a reception to a limited number of close friends at the handsome home of Mr. and Mrs. Gary, on South Main Street, at which Mr. and Mrs. Hamilton took a train for the North on a wedding trip.

In all of its appointments the wedding was faultless in taste and exquisite in its elegance of detail.

It would be hard indeed to get together a more strikingly beautiful lot of girls than those constituting the wedding party, from the beautiful bride to the sweet little flower girl, Mary Anne Forbes. And the young men were handsome and distinguished looking and the proud father as he gave the bride away, looked his very best.

The bride's departure from Hopkinsville will leave a vacancy in the social and musical circles of the city that will be hard to fill. Gifted as a vocalist while her older sister, Mrs. Anderson, was equally talented as a violinist, the two daughters have been the joy and pride of their parents' hearts. Only a week or two ago Miss Gary's sweet voice was heard in a solo at the First Baptist church.

The bride received many beautiful and costly wedding presents.

Mr. and Mrs. Hamilton will make their home in Chicago, where Mr. Hamilton is in business.

Among the out-of-town visitors were Mr. David Hamilton, Sr., Mr. de Forest Hamilton, Mr. and Mrs. Elmer Grant, Mr. Luther Hamilton, Mr. Caddey Williamson, all of Boone, Ga., and Mr. Shorter Hamilton, of New York.

JOHN LAWRENCE IN NEW FIELD

Wins New York Trip In August As Guest of Equitable Insurance Company.

John S. Lawrence, local representative of the Equitable Life Insurance Co., New York, has made a most remarkable record in his new line of work for his first year, which ends on July 1, as it evidenced by a letter which he received a few days ago from Col. Henry J. Powell, manager of the Louisville-Cincinnati Agency, under which Mr. Lawrence works.

The Equitable is to celebrate its sixtieth anniversary the last week in August with a big convention in New York City, and the 1st of July, 1918, made a proposition to all of its agents to pay their expenses to this great convention provided they would write \$100,000 or more of insurance between that time and July 1st, 1919, and Mr. Lawrence succeeded in making this amount before the first day of this month, which was a month ahead of the required time, and also qualifies him as a member of the Equitable Southern Century Club.—Cadiz Record.

Heavy Loss Sustained By C. D. Moss On The Julien Pike.

C. D. Moss, who lived on the Allen Owen place, on the Julien pike, lost his stock barn by lightning during the storm Thursday night. It was of the largest and best stock barns in the county.

Fortunately but little stock was in it. He lost one mule and some hogs. The loss was about \$4,000 on building and contents, with insurance for \$1500.

Mr. Moss came to this county from Hart county about two years ago and is a prosperous and highly esteemed citizen.

FREDERICK LEAVES HOLLAND

Rioting in German Cities Adds to The General Turmoil and Disorder.

While no official information was at hand yesterday as to the appointment by the German government of plenipotentiaries to proceed to Versailles to sign the peace treaty, the latest unofficial advices arriving in Paris from Germany were to the effect that Dr. Herman Mueller, foreign minister in the cabinet of Herr Bauer, and Dr. Bell, the minister of colonies, have been chosen for the duty.

The time for the signing of the treaty also still was in doubt. The German delegation, said the report, would reach Versailles Saturday morning, having been due to depart from Berlin Thursday night. There has been some talk of the possibility of setting Sunday as the date for the function and Monday also has been spoken of. Everything, however, seems contingent on the actual appointment of the men who are to act for Germany and their associates in Versailles.

No further news from any source has been received regarding the return of the German crown prince who had been interned in Holland since hostilities ceased.

Another vote of confidence has been given the new German government by the Prussian national assembly following a discussion of the peace situation.

The disorders, both in Berlin and Hamburg, where there has been considerable street fighting and looting, apparently are on the wane. A news agency dispatch from Copenhagen says 185 persons were killed in the rioting at Hamburg. The casualties in Berlin have not been made public.

NEW OFFICERS FOR H. B. M. A.

Will Be Chosen At Annual Election

Next Tuesday, From 9 a. m. To 9 p. m.

The annual election for the H. B. M. A. will be held next Tuesday, July 2, at the H. B. M. A. rooms, by private ballot as it will appear in printed in today's Kentuckian.

The voting may be done at any time between 9 a. m. and 9 p. m., without further formality than to call at the office and secure a printed ballot with twice as many names as are required. The voter will take his choice between two nominees for each office except treasurer, for which place there is only one nominee, J. A. Browning, who has held the office for several years.

There are no contests, as these offices are without salaries and are usually "thrust upon" those selected by the nominating committee. The only salaried position is secretary, held by Garner E. Dalton, who has served for two or three years and has no opposition for reelection by the Board of Directors to be chosen. More than 20 new members have joined the H. B. M. A. since the last meeting.

Beginning July 1 dues will be paid quarterly in advance.

Cadiz Asks State Aid.

At a called meeting of the fiscal court which was held in Cadiz on Tuesday, state aid for the streets, of Cadiz was asked for. This is in keeping with a plan started here several weeks ago looking to the building of the street through town in keeping with the Federal Highway and inter-county seat road to Hopkinsville.—Record.
